

Sanford Medical Center Fargo

Sanford Health is an integrated health system headquartered in the Dakotas. It is one of the largest health systems in the nation with 45 hospitals and nearly 290 clinics in nine states and three countries. Sanford Health's 28,000 employees, including 1,300 physicians, make it the largest employer in the Dakotas.

Nearly \$1 billion in gifts from philanthropist Denny Sanford have allowed for several initiatives, including global children's clinics, genomic medicine and specialized centers researching cures for type 1 diabetes, breast cancer and other diseases. For more information, visit sanfordhealth.org.

Sanford Health is excited to grow with the Fargo region and continue bringing excellence in health care with the successful opening of our new medical center in 2017, with Comprehensive Stroke Accreditation and Level 1 Trauma Accreditation attained in 2018.

Sanford Medical Center Fargo is affiliated with the University of North Dakota School of Medicine and offers Internal Medicine, Family Medicine, Orthopedic, Surgical, Psychiatry and Transitional Year medical residencies.

Pharmacy

Sanford employs approximately 50 pharmacists and 63 technicians/interns. Pharmacists participate in a variety of clinical activities such as traditional and transitional rounding platforms, code blue response team, antimicrobial stewardship, patient education, precepting residents and APPE students, pharmacokinetics monitoring, patient falls team, renal dosing, IV to PO interchange, nutrition services, dialysis, medication reconciliation, anticoagulation and collaborative practice agreements.

- In conjunction with the North Dakota State University College of Health Professions.

Small Group Leading

ACPE accredited Grand Rounds

Medical and Nursing Education

Qualifications & Application

All residency candidates must meet the following prerequisites:

- Be a graduate of an accredited school of pharmacy
- Hold an active pharmacy license, or be eligible for licensure in North Dakota.
- Must be participating in, or have completed an ASHP-accredited PGY1 residency program or one in the ASHP accreditation process.

Application materials must be submitted through PhORCAS by February 2nd and include:

- Letter of Interest (include clinical areas of interest within critical care & reason for pursuing residency)
- Curriculum Vitae
- College Transcript
- Three letters of recommendation

Applicants considered for a position will be invited for an interview in February with pharmacy administration, preceptors, and critical care staff.

The PGY2 positions are determined through the ASHP Resident Matching Program. All PGY2 candidates for the 2018-2019 residency must register with the ASHP Resident Matching Program.

Stipend & Benefits

The stipend for 2018-2019 is \$52,500. Additional compensation is available for optional per diem staffing shifts. Contact the Residency Program Director for more information.

Residents are provided health and dental insurance, life insurance and vacation days (holiday, personal, and professional days). Residents are supported to attend either the ACCP or SCCM annual meeting and the Midwest Pharmacy Residents Conference.
